

Wesley Dormitory FAQ

Who can live in the dorm?

- Dorm residents will be UARK or NWACC students enrolled in at least six credit hours during the academic year.
- The dorm will either have all male or all female residents, depending on the applications received, and the makeup of the dorm might change from year to year.
- Residents can stay in the dorm for either the summer or the academic year, or both. You don't have to stay during the summer in order to apply for the academic year, or vice versa. You can also stay for just one summer term.
- Residents can apply for just one semester in the dorm, but priority will be given to applicants who are able to stay for a full academic year.

What does it cost?

- Fall 2021 – Spring 2022 Rent: \$2,000 per semester. This equals \$400 per month (figured on a 10-month lease).

What's included in the rent?
